## "Travels in Asia"

Join Rev Anne Sermons Gillis for stories of her adventure to South Korea and Thailand. She says, "Last October I imagined walking on the shore beside aqua water. The mental scene in was vivid. I love the beach wanted the experience of tropical delight. I took note of those moments wondering if I had planted a fertile seed of intention. Six weeks later I stood on the shore of a remote island in South Thailand. I talked with a man who was filming a documentary. Inquiry revealed that the film was for a show on the most beautiful beaches in the world. I smiled inwardly knowing the satisfaction of mindful creation. Tonight I share the some of the magic and miracle of the journey along with some of the customs of these beautiful people." Anne will speak on Wednesday, March 18, at 7pm.

## Conscious Giving

Everything you see around the Creative Life campus, from the carpets to the coffee to the 6+ acres of land we now own and occupy, was manifested through the generosity of our Center members and friends—folks like you! Please remember the ongoing life of your Center, which costs about \$5,000 per week to fund, by doing your part and more if you can! You can donate to Creative Life by credit or debit card (and soon, Paypal), on a one-time or regular basis—just visit the bookstore to set up this service. We also have giving envelopes if you would like to mail in your gift. We are a 501(c)(3) nonprofit corporation, so your donations are fully tax-deductible to the extent provided by law.

## Creative Life Spiritual Center

*"I never knew there was a place that teaches what I've always believed!"*

**5326 Spring-Stuebner Road  
Spring, Texas 77389-4574**

Creative Life is a spiritual community in suburban Houston, Texas, teaching and living the Science of Mind, a transformational path first articulated by the American philosopher **Ernest Shurtleff Holmes** (1887-1960).

We have activities for all people and interests, and welcome everyone, especially those for whom traditional Western religion has seemingly had no place.

Serving greater Houston since 1985, Creative Life is a member of the *United Centers for Spiritual Living* (formerly known as the United Church of Religious Science), which dates from 1927. "Science of Mind" and the circle-and-v symbol are registered trademarks. Membership in our Center is a statement of your commitment to your own spiritual process, using the principles taught here as a springboard, as well as a way of shaping our Center's collective future and enjoying a symbiotic, caring relationship.

No prior spiritual affiliation need be renounced in order to join us. Membership request cards can be found in the Great Hall vestibule, bookstore, or requested by mail or e-mail.

## Big Wide Grin to perform

Big Wide Grin with Keb' Mo'

This bi-coastal trio of **Elaine Dempsey, Lawrence Lambert** and **Karl Werne**, hailing from California and Virginia, bring such diverse backgrounds of experience, music and theater together to form a rich, soulful blend of character and harmony so deep and dynamic, it will move you to an understanding of their name, *Big Wide Grin*. Usually on the move, they are no strangers to national tours and folk festivals and have shared the stage with such artists as Janis Ian, Harriett Schock, and toured with legendary bluesman Keb' Mo'. Their debut CD, "Live Simple, Breathe Deep" (released under the name "E.L.K.") was produced by Clayton Gibb (Keb' Mo' band) and features Mark Andes (Spirit, Canned Heat), Rob Hooper (Jimmie Dale Gilmore), Cha Cha Friedken (Keb' Mo' band) and Eddie Williams. BWG's "Live" release is a collection of original and cover material that have become trademark favorites of their live performances from the likes of Steve Earle to Sly & The Family Stone.

Hear them at the Center at the 9:30 and 11:00 celebrations on Sunday, March 22.

## Interfaith dinners

The Spring Area Interfaith Coalition will be holding interfaith dinners in the homes of volunteers attended by 8-10 people from a diversity of faith traditions. We're seeking volunteers who are willing to host such dinners; the date for these is now Thursday, May 21.

## Forrest Yoga continues

Sonya Nelson

March is the perfect time to begin to practice the art of yoga and heal your body. Join practitioner and certified yoga instructor **Sonya Nelson** to learn the joy of breathing fully and to increase the flexibility of your spine. The more pliable your spine, the more flow you bring into your body, your limbs, bones and muscles. Your age is not determined by a number of years but in the flexibility of your spine. And as you strengthen your muscles, as your bones increase their response to structural stress, as the various fluids nourish the cartilage, your spine is supported. This mutually beneficial relationship is fostered and supported with yoga. And the benefits last longer because you bring intention to and participate in your own healing. There are three yoga opportunities available in March. You may experience a free class on Sunday, March 8 at 12:30pm to learn some basic moves and techniques and find out what this Forrest yoga stuff is all about! Secondly, you may "drop-in" on any 4:00-5:15pm class on Sundays for \$15. Finally, a new 6-part series begins on Tuesday, March 17. Classes will be held each Tuesday from 5:15-6:30pm and the tuition for all six is \$75. All classes are held in Katherman Hall. Wear loose, comfortable clothing and do not eat two hours prior to class start time. Bring a yoga mat if you have one as a limit number of loaner mat are available. For more information or to pre-register:

## Blessing Doll Workshop

**Rev. Marsha Lehman** invites you to experience a sacred art Blessing Doll event for both women and men. A Blessing Doll is a symbolic treasure created by your intuitive self. As you whisper an intention and allow strong love and deep care from your heart to pour through your hands you become lost in the beautiful process of divine designing... and the result is a special lifelong gift for yourself or someone dear to you. This treasure will serve as a constant physical reminder of the blessings brought into your life or the life of the recipient containing the potential of becoming a centerpiece on a table or altar. Join artist **Jan Gauvain** as she leads you through the sacred, absorbing and inspiring process of creating a unique work of art. Jan will provide everything you need; wonderful fabrics, patterns, and gorgeous embellishments to delight the eye; to express the blessings that come from the beautiful, harmonious place in you. Whether you create a Blessing Doll that is a guardian angel, an encouragement goddess, a spiritual warrior, or a unique form that celebrates you, your child, your mother, your partner, the special one; the idea is that it all comes from your connection to that greater creative self in you and brings a special blessing into the world. Please join all of us, those who are definitely not professional artists as well as those artists who are interested in this new idea in this day of fun and relaxation, creation and recreation. It is a huge help to Jan in the preparation of your experience when you register early. Saturday, March 28, 10am-3pm (includes a light lunch). Fee is \$65 if paid by March 15, \$80 thereafter. Send check to the Center, payable to CLC. To pay by credit card call in your name and information to (281) 350-5157 or visit the bookstore. You will be charged \$65 if you call before March 15, \$80 after March 15.

## Power Up With Positive Prayer

What exactly is a “Religious Science practitioner”? Literally, a practitioner is anybody who practices something; our Religious Science practitioners are trained in the *art and science of spiritual support using affirmative prayer*, and are committed to serving your needs. Each has spent literally hundreds of hours in training, to direct natural compassion into helping you through listening, caring, and using spiritual mind treatment — affirmative prayer — to reveal the truth of you that is greater than any apparent limitation. Each is licensed by the United Centers for Spiritual Living, and engages in ongoing study and spiritual development.

## Help is Nearby

Our Creative Life practitioners are outstanding spiritual support persons, available to lovingly and confidentially assist you, and are at your service...

- **Sundays** at “The Power of Prayer” (now in the downstairs meditation room) where requests are received and acted upon in a small group setting, or with the practitioner of your choice in the Great Hall or garden for a quick “meet and treat”...
- **By appointment**, on an individual fee basis for a one-hour session of spiritual support and treatment...
- CLC members receive an annual invitation by mail for a free “**birthday checkup**” with the practitioner of your choice (see list at left). Just pick up a form in the Practitioners’ Loft and call for your appointment...
- **More options** requesting and receiving prayer support include using a form on our website by going to [www.creativelife.org/links/prayerrequest.php](http://www.creativelife.org/links/prayerrequest.php). Further, trained, skilled practitioners await your call to the UCSL World Ministry of Prayer, 24 hours a day, every day at (800) 421-9600 or by email to [prayer@wmop.org](mailto:prayer@wmop.org).

## What Practitioners Do

### So practitioners pray for people?

*Practitioners treat themselves to know that the good their clients desire is ever-available and moved into form through treatment. The type of prayer we teach is also called “scientific prayer,” as it proposes the universality of God, and therefore no separation between a person and God. We don’t pray to move God into action, but to bring our thinking and feeling nature into alignment with the idea that infinite good surrounds us, in the form of love, harmony, peace, wellness, abundance, and whatever else we can imagine. Much of this aligning comes from a person deciding what he or she really prefers to have happen in terms of life experience. In this, the practitioner assists through stimulating conversation and possibility thinking. Once a clear sight is set on a goal, treatment is then done.*

### How do I know if I need a practitioner?

*In one respect, no one needs a practitioner, because each of us is gifted with the ability to pray affirmatively, with results following. Practitioners are a useful spiritual support system for any times when you feel it would be good to get outside your own head for a while and allow another, trusted person to speak the word around a clear idea of your good. Times like these can include when you’re under stress, have a big decision to make, feel fear, are grieving a loss, or are just overwhelmed for the moment by your life. Another useful time, often neglected, is when everything is going just great. Practitioners are happy to treat about continued good in your life, too!*
