Your guide to Creative Life

Here's a short workshop with founding minister **Jesse Jennings** that's especially for those new to CLC and/or to what we teach, and a prerequisite for anyone wishing to become a member who has not yet completed *Heartfelt Living*.

We'll discuss the basics of our philosophy and way of life; how the Center came to be, and how it's cared for and supported; our classes and programs; and what membership means. There will be plenty of time for questions plus you'll get printed materials to take home. No charge, and donations are welcome. **SUNDAY, JULY 6, 1-2:30PM**. Please sign up in Builders' Hall or by e-mail to info@creativelife.org

JULY 2014

"The refusal to call any man, woman, or child ignorant or foolish will uncover your dormant chord. You will leave the strings of your soul exposed for the winds of God to blow over, and bring out the tones of music, the radiant beauty, given unto your judgment from the foundations of the universe."

SoulCollage® and Shamanism workshop

This will be a special workshop that will include a shamanic journey led by **Jeff “Golden Phoenix” Wuentshe**. Jeff is a student of shamanism and has the blessing of a Peruvian shaman to teach. He also draws from Native American tradition.

First we will do a meditation to see which animal shows up as a companion for each person. In SoulCollage® there is one companion animal for each chakra and we make a card to honor one. These and other cards can be made intuitively in the first part of the workshop. No artistic talent needed.

In the second part there will be a short lecture on shamanism and we will clear space for journeying.

We will drum together and learn a shamanic posture or two. The drum is the shaman's horse and with drum only we will travel into the subconscious with our protective companion animal.

All supplies for SoulCollage® will be provided but wear comfortable clothes and bring a blanket for journeying. Light snacks and drinks will be provided but bring a bag lunch if you need to. Drums and rattles will be in abundance.

Facilitated by CLC member **Janet Carman**. **SATURDAY, JULY 19, 3:30-8:30PM**. Cost is \$35. Please sign up in Builders' Hall. For more information:

Bardic Circle debuts

David Mayes

In the Old Times, a Bard was a professional poet, often employed by a patron, such as a monarch or nobleman, to commemorate the patron's ancestors and to praise the patron's own activities.

Today a Bard is someone who expresses him- or herself through music, storytelling, poetry or other creative ways, usually in

front of an audience.

If you have felt the calling of the Bard, be it to sing, dance, write or tell stories, then come to the Bardic Circle! Here we will meet in the Circle to share our talents and to be honored and blessed for doing so. All levels, from tone deaf to professional, are welcomed in the Circle! And even if you express yourself through painting, drawing, crafts, etc., come anyway! All forms of creative expression are welcomed. You'll get a standing ovation just for being there!

The meeting will be led by **David “Great Bear” Mayes**. David has been a CLC member since 1997 and is a regular performer at the Wednesday night services, where he tells stories, sings or plays the Native American style flute. He is a long time student of Pagan and Native American spiritual traditions and he has the blessing of a medicine man to lead sweat lodge ceremonies. David is also currently studying Druidry through the Order of Bards, Ovates and Druids.

The first monthly Bardic Circle happens **TUESDAY, JULY 22, 7-9PM**, in Katherman Hall. Appreciative giving. For more information:

Sunday morning meditations

“...Sit and rest and refresh your soul.
Eat of the fruit and drink the wine.
All, all is yours, and you are welcome.”

—The Science of Mind text

Malené Njeri

The Sunday morning meditation is actually an awesome extra to Sunday celebrations. Led by practitioner **Malené Njeri**, it lasts for 35 minutes, ending in time to

comfortably get into the 11am celebration. There is music to enhance as you are guided into a restful state, and inspirational readings to tap into your spiritual center. Most sessions will end with a spiritual mind treatment based on the theme of the readings. Don't be concerned about being late. There is an easy way to quickly get into the flow. Stand a moment outside the door and bring yourself to complete silence. Maintain that silence as you enter. You'll find yourself suddenly present in the meditation and all is well. **SUNDAYS 10:15-10:50AM**, in the Hopkins Room, upstairs in the Learning Center.

Nancy teaches Zumba® and Melodie has choreographed and danced professionally. Drop in at any time. Appreciative giving to CLC. Beginning **JULY 13**, the group is moving its meeting time and location to **SUNDAYS, 12:45-2PM**, in Katherman Hall. More information:

You're invited to support your Center and yourself by purchasing copies of *One World, One People*, to use as a meditation tool, a lovely gift for friends and family, and a reminder of our shared roots and co-creation of our global destiny.

Says the flyleaf, "The approach here is unabashedly positive. The intent is to communicate the oneness and richness of human life."

You can leaf through a sample copy in the bookstore, and buy your own for only \$10. Also on sale is *One World, One Child*, in hardcover for \$15. We're very grateful to CLC'er **Rick Huttner** for donating these!

CHILDREN & YOUTH

Minister **Debra Morwood**, CLC's Youth Director, reminds everyone that when your children are returned to the Great Hall on Sunday, please note it is the policy of the

Center that each child, no matter the age, must be supervised by their adult caregiver. The children are not allowed to be outside their classrooms *unless accompanied*.

We are devoted to providing a safe environment for our happy children!

Children begin their Sunday learning adventures in the redesigned registration area in the youth foyer, then move to their classrooms, except on one **SUNDAY** most months, when those through age 11 visit the Great Hall first, sharing their thoughts with the grownup congregation.

If you have any questions or concerns about our classes, Debra is in the youth lobby from **10:15-11AM** on **SUNDAYS**, or connect at **(281) 651-9295** or by e-mail to

debramorwood@sbcglobal.net

WHAT WE DO

The CLC Children's and Youth Services Department is devoted to celebrating the spiritual development of each child we teach. All age groups are involved in various activities, workshops, and special projects incorporating the teachings of Science of Mind. We strive to create an atmosphere of love and kindness in our words and actions toward each other and to recognize and honor the diversity of every person.

- **Toddlers** (up to age 3) are lovingly cared for by our toddler teachers. In their very artistically designed Discovery Room, the children are encouraged to interact and experience their world as only a toddler can. They are offered games, toys, books and other age-appropriate activities in a safe, secure and loving environment.
- **3-6 age group.** Beginning around the age of 3, our toddlers are moved to the Ingenuity Room. This group begins to learn the basics of Treatment and the value of giving a smile and a kind word. Our creative teachers provide age-appropriate instruction and activities.
- **7-11 age group** are in the Quimby Room, regularly practicing the steps of Treatment presented in a manner appropriate to their age group. The teachers provide learning tools, creative projects, workshops and other teaching methods to engage each child's learning of the principles of Science of Mind.
- **12-and-up age group** meet on the second floor of the Learning Center in the Hopkins classroom. They are engaged in special projects, workshops, have guest speakers and are involved in several volunteer service endeavors at CLC. The teachers working with this group encourage their talents, keep them engaged in learning Science of Mind principles and we throw in a bit of fun along the way!

Children's hunger WE CAN FIX THIS

BUDDY BACKPACK

Our commitment to the Montgomery County Food Bank's *Buddy Backpack* program has been to feed 15 young students every weekend throughout the school year. These kids were selected by their schools as having this need, and every Friday they went home with a backpack discreetly filled with specially selected food to last them the weekend. Then they returned the empty backpack to school on Monday, for the process to repeat itself.

During the summer, are continuing to accumulate funds for next year's service, as well as recruiting other faith communities into this project. There are several ways you can help: by donating cash or WalMart cards (only -- no checks, please, or generic gift cards); by working to assemble the food we purchase for delivery to the Food Bank; and by assisting on the delivery team to the Food Bank. Please be clear, we do not need you to bring food items, which must be purchased according to a very specific protocol, and we have a team

to do that. But your donations of cash or WalMart cards are most appreciated. Our program co-coordinators are **Carol Stromatt** and **Aline Dawson**. With any questions, or to volunteer, please e-mail cstromatt@gdcrealty.com
