Self Mastery

Socrates learned the maxim "know thyself" at Delphi, where it was inscribed over the entrance to the temple of Apollo, and believed that "the unexamined life is not worth living." This eight-week course for *Heartfelt Living* graduates is about healing the perceived separation between personality and Spirit. Through an exploration of the creative nature of thoughts and feelings, uniting as beliefs, you'll revel in gaining mastery in the art of living as a conscious, intentional being, giving and receiving support and encouragement. Tuition is \$200 and the only required texts are *Living the Science of Mind* and a course workbook. The course will be led by practitioners **Lynn Beckett** and **Yvonne Ryba**. Eight Thursday afternoons, 1-4pm, starting October 8. Sign up in Builders' Hall or by e-mail to info@creativelife.org

Conscious giving

Everything you see around the Creative Life campus, from the carpets to the coffee to the 6+ acres of land we now own and occupy, was manifested through the generosity of our Center members and friends—folks like you! Please remember the ongoing life of your Center, which costs about \$5,000 per week to fund, by doing your part and more if you can! You can donate to Creative Life by credit or debit card on a one-time or regular basis—just visit the bookstore to set up this service—or give via PayPal. We are a 501(c)(3) nonprofit corporation, so your regular contributions are tax-deductible.

Honduran support

We are accepting donations of durable used or new shoes, and also clothing (used/clean/in good repair), which pilot **Lynn Rippelmeyer** delivers to the people of Honduras each time she flies there. Please use the collection boxes in Builders' Hall — no extra-large sizes, women's shorts, winter clothing, or high heels, thanks. In the bookstore we're selling Honduran-grown coffee at \$10 the pound, to help support several children's charities there. We now also have the opportunity to donate medical supplies to *Medical Bridges* for use in 80 countries. No expired prescription medicines, please; these can be taken to a pharmacy for proper disposal. Also needed is a portable sewing machine.

Life Center supplies

The Life Center, founded by Pastor **Winston James** in 1991, is a care facility for the homeless at 4516 Old Yale Street in the Heights. We are pleased to join with other area faith communities in offering support to them through a collection of cleaning supplies, trash bags, nonperishable food socks, men's and women's underwear, and hygiene and grooming products. Please use the collection box in Builders' Hall.

Gardening Work Day

CLC Trustee
Franceska Perot-Starcevic invites you to the next monthly outside work day on the second Saturday in

October, the 10th, with two shifts, at 9am and noon, when we will again focus on the courtyard garden, trimming shrubs, weeding, cleaning flower beds, and trimming the trees in the front parking lot and along the road. Come join us in the beautiful weather!

Yoga classes

Sonya Nelson

In the blink of an eye, we'll be preparing feasts for the holidays and feeling the stress of that busy season! Now is the time to begin a yoga practice so you can master the skills of

breathing deeply and staying present. One of the first things that new yoga students are amazed by is the awareness they gain with their breathing. This awareness helps them in every aspect of their lives. Forrest Yoga places strong emphasis on breathing skills in a loving atmosphere of acceptance. Other benefits of attending a Forrest Yoga class is greater flexibility, relief to joint pain, better posture and fun! Both classes are open to all levels and no one is ever asked to work beyond a level that is safe and appropriate for them. Join CLC practitioner **Sonya Nelson**, certified yoga instructor, on Thursday mornings from 9:30-10:45am in Katherman Hall. Wear loose, comfortable clothing and do not eat two hours prior to class start time. Drop in for any class for \$15 to CLC. E-mail sonya.nelson@creativelife.org.

Saturday Sacred Art Playshops for Women

The first in a quarterly seasonal series is the *Winter Solstice Sister-Friend Bracelet Playshop*, sponsored by minister **Marsha Lehman** and featuring our own, practitioner **Ann Richardson**, artist and Peace of Mind business owner. Join them for this beautifully relaxing and creative day of a playful form of sacred art. You will have the experience of making a bracelet for a beloved sister-friend that will initiate her into the deep connection of self-discovery in the season of winter. The bracelet could be for your mother, daughter, aunt, a friend who feels like a sister, a woman who means so much to you. This bracelet, meant to be presented on Dec. 21, the Winter Solstice, will contain beads, adornments and a written prayer. You will be guided into your inner intuitive connection to help you create the affirmative prayer that will accompany your bracelet gift. The ritual that you will experience in the playshop can be the ritual that you use to present the bracelet. The ritual will help anchor the gift so that it will continue to have meaning and give inspiration throughout the winter months, the months of deep reflection and rich, connection with the womanly self. Come, be in the company of other women on this day of meditation, gentle laughter, magical creation and delightful connective sharing of the heart. Take home the gift of a Sister-Friend Bracelet that will be a symbolic reminder of the beauty that your friend is and expresses...that comes from that deeply feminine nature we call the Goddess. Open to all women from all spiritual walks of life...ages 15 to 105. Saturday, Nov. 14, 10am to 3pm at the Center. Cost of \$35 includes materials and light lunch. We need to know you're coming and the number of guests you are bringing, so use the signup sheet in Builders' Hall or register by e-mail: marsha.lehman@creativelife.org

Abraham-Hicks study group

Abraham teaches, "The basis of your life is freedom; the purpose of your life is joy." The purpose of this group is to expand our understanding of the teachings and writings of Abraham-Hicks. We will discuss personal applications and practical experiences. Fun-Loving Singles

This group is for all Creative Life Spiritual Center friends or members who are single, divorced or widowed and age 21 or over. We welcome all singles regardless of ethnicity, gender, or sexual orientation, who are interested in a safe, open environment to meet, form friendships, participate in group events and just have FUN! The goal of the group is to promote camaraderie among singles. It is not a matchmaking or therapy support group. Our next event is lunch at 1pm on Sunday, October 25, at Crabby Daddy near I-45 and Rayford Rd. in Spring. After lunch, there'll be an optional trip to the White Eagle Lodge Star Center for the Americas at the Church of St. John and Retreat Center in Montgomery to walk their labyrinth. People come from all around the world to attend seminars, retreats and events at this sacred, peaceful large acreage facility. There is no charge for this but a donation is suggested. Please RSVP to the October Fun-Loving Singles activity coordinator, **Kathi Frank**, at kathi@kathifrank.com

NOTE TO CLC PARENTS...

Your sense of comfort leaving your children in our care is important to us; more important still is their safety while entrusted to us. We need you to know that between 11am and 12:15pm Sundays, your child must either be in the appropriate class, or seated in the Great Hall with you. *These are the only options.* Children are not permitted to roam the CLC campus unsupervised, nor to leave it without you, or with whom-ever you give us written permission to allow to take them. On Sundays, please bring your children who are going into class to the registration desk in the south lobby of the learning center for check-in, and fill out the necessary forms for children who are new with us. Thank you!

7-10-year-olds' class...

Volunteers are now being accepted to co-teach this group of about 15 children, 11am Sundays.

debra.morwood@creativelife.org

LIKE TO READ ALOUD?

Debra would like to have two volunteers a month (one for each of two Sundays) to read a story to the 3-6 age group. This would take about 15 minutes between 11:15 and 11:30am. In addition to having people who will read age-appropriate stories, she'd like anyone who would do puppets, or anyone with other creative ideas that would entertain a 3-6 year old for 15 minutes, such as dressing up as a character (perhaps some RenFest folks?). Also we'd love to have someone dress up for Halloween and read a story, as well as Santa for Christmas! There must be some grandparents in our group who would love to read a story; and if anyone writes children's books and would like to read from their work, contact Debra.

YOUTH NOTES

Debra Morwood

The month of October is shaping up to be an exciting one for the CLC Youth Services Department. With the assistance of several of our teens and many other volunteers the Learning Center that houses our classrooms is really taking shape. Come by for a visit and see our new look. Check out our new toddler changing table donated by **Phil** and practitioner **Libby Beckhelm**.

The CLC Teen group has some interesting things happening. On October 4, **Lisa Ryan** will be helping the teens create their own wand which can be used at Halloween, RenFest or any other occasion where a wand would be useful. Teens are encouraged to bring a favorite stone to bake into their wand. On October 18, **Lynn Rippelmeyer** will be speaking to the teen group. Lynn is a pilot for Continental Airlines and will be talking to the teens about envisioning and living their dreams. On October 11, practitioner **Lilia Reade-Pellicano** is the guest reader for the 3-6 group. We are still gratefully accepting readers for early 2010.

The 3-6 children's group welcomes new teacher **Sandra Check** (practitioner and ministerial student). Sandra's first day will be October 4. Come by and say hello to Sandra and thank her for volunteering with the children. Also on October 4, please come by and welcome **Mary Wilde** as our newest Youth Services Registration staffer. We appreciate her service to the children.

As always, I am available to answer any questions concerning the CLC Youth Services Department. I am in my office (at the top of the stairs in Katherman Hall next to the upstairs practitioner room) from 10:15 until 11:00am on Sundays, available by cell phone (281) 787-2761 and at debra.morwood@creativelife.org.

WEDNESDAYS

Happy, Healthy & Harmonious

Anne S. Gillis

Experience the Radical Presence through *Do In* (self-massage on power points), mindful breathing (*Pranayama*), sound healing and guided health and rejuvenation meditation. These practices renew the body, lift the spirit and return us to our natural state of joy; great ways to lift depression, calm anxious tendencies, reduce stress and expand awareness.

Anne Sermons Gillis started meditating in 1973. Eventually those silent moments led to an awakening in 1976. In the early '80s she incorporated breathing practices into her spiritual disciple and later became a professional breath worker. She led weekly groundbreaking guided meditations for years and served as the senior minister in Connection Church for 14 years. She is the author of two books and lives on the leading edge of consciousness discovery. 9:30-10:45am, four Wednesdays, October 14 through November 3, in Katherman Hall. Cost is \$60 for the series or \$15 per class. Bring a mat or blanket, an old tennis ball in a sock (extra if you can), do not eat immediately before class, and wear comfortable clothes. THURSDAYS

A bunch of CLCers meet for lunch Thursdays at different restaurants from FM 1960 to The Woodlands, and you're invited! To get on the invitation list: **Cathy MacKenzie**, cathy.mackenzie@creativelife.org

A Course in Miracles discussions

A Course in Miracles is "a unique, universal, self-study spiritual thought system that teaches the way to Love and Inner Peace is through forgiveness." (www.acim.org) The *Course* states, "Projection makes perception. The world you see is what you gave it, nothing more than that. But though it is no more than that, it is not less. Therefore, to you it is important. It is the witness to your state of mind, the outside picture of an inward condition. As a man thinketh, so does he perceive. Therefore, seek not to change the world, but choose to change your mind about the world." We're in our fifth year of regular weekly meetings, now working through the ACIM Text. With practitioner **Bill MacKenzie** at 7pm Thursdays in the library. Open to all; join anytime. Donation. More information: bill.mackenzie@creativelife.org

Wisdom of the Universe

Book discussion group

www.brucelipton.com

Read on your own, learn with your peers. The purpose of our group is to explore the world of current science to learn more about its relevance to our ability to change our minds and change our lives. Our first book will be *The Biology of Belief* by Bruce Lipton, Ph.D., a groundbreaking work in the field of New Biology. Author Lipton is a former medical school professor and research scientist, whose experiments, with those of other leading-edge scientists, have examined in great detail the processes by which cells receive information. The implications of this research radically change our understanding of life, showing that genes and DNA do not control our biology; that instead DNA is controlled by signals from *outside* the cell, including the energetic messages emanating from our positive and negative thoughts. Dr. Lipton's profoundly hopeful synthesis of the latest and best research in cell biology and quantum physics is being hailed as a major breakthrough showing that our bodies can be changed as we retrain our thinking. The book is available in our bookstore. Join us in the youth wing Wednesdays, noon-2pm, biweekly (Oct. 14 & 28) to begin the process of critical enlightenment through the sharing of information. Led by **Denese & Dick Schmelzkopf**, denese28@comcast.net

Based on sound, scientific principles, the class reveals many exciting ideas to help you change your mind and change your life. You will learn: Old habits can be conquered with relative ease • Your body is not a closed system • How to increase your ability to learn, regardless of age or background • You can live a happier life when you learn this "secret" • Your intentions can be measured and used • Time is influenced by thought today, yesterday and tomorrow. Tuesdays, October 6, 13, 20 and 27, 10:30-12:30pm. Cost is \$40. Info: denese28@comcast.net

COMING IN NOVEMBER

Mind Moves, Form Follows: A Celebration of the Practitioner's Craft

Come meet some of the licensed Religious Science practitioners of our Center, including the newest two, and enjoy hearing them speak on what they do and why they do it. Wednesday, November 18 at 7pm in the Great Hall.

Thanksgiving Eve Sharing Celebration

It's a cross between a Quaker meeting and open-mike night, as you're invited to come tell us a significant moment or two from your year, or just bask in the glow of others' reflections. We'll enjoy wonderful music, too. Wednesday, November 25 at 7pm in the Great Hall.

Thanksgiving Sunday November 29, 11am only

Thanksgiving Blood Drive

Our next blood drive happens on Sunday, November 29, with potluck snacks for the donors, and the Bloodmobile on site from 9am-1pm. Because we're now holding these

quarterly, you can participate through CLC in the Blood Center's "Commit For Life" program — go to their site www.giveblood.org for info. The need for blood products (both platelets and plasma) is constantly growing, and it's a gift only we as people can give to others. Also, it's a way to at the same time have your blood pressure and cholesterol checked. Volunteers are gratefully accepted to help set up and clean up after the snacks, place signs, etc.; the event coordinator is **Ruth Catalogna**. Sign up in Builder's Hall to donate or bring food. CLC's Practitioner Team

Mind remakes your world!

Our licensed Religious Science practitioners are trained in the art and science of spiritual support using affirmative prayer, and are committed to serving your needs. Have a new goal, an old problem, or a question about applying our teaching? Work with a practitioner and watch what happens with conscious use of the Law of Mind. Access them by leaving a prayer request in of the boxes, by attending one of their events (see at right), or by appointment. Events are donation-based or free; appointments are fee-based.

Power Up with Positive Prayer

What exactly is a “Religious Science practitioner”? Literally, a practitioner is anybody who practices something; our Religious Science practitioners are trained in the *art and science of spiritual support using affirmative prayer*, and are committed to serving your needs. Each has spent literally hundreds of hours in training, to direct natural compassion into helping you through listening, caring, and using spiritual mind treatment — affirmative prayer — to reveal the truth of you that is greater than any apparent limitation. Each is licensed by the United Centers for Spiritual Living, and engages in ongoing study and spiritual development.

Help is Nearby

Our Creative Life practitioners are outstanding spiritual support persons, available to lovingly and confidentially assist you, and are at your service...

- **Sundays** at “The Power of Prayer” (now in the downstairs meditation room) where requests are received and acted upon in a small group setting, or with the practitioner of your choice in the Great Hall or garden for a quick “meet and treat”...
- **By appointment**, on an individual fee basis for a one-hour session of spiritual support and treatment...
- CLC members receive an annual invitation by mail for a free “**birthday** **checkup**” with the practitioner of your choice (see list at left). Just pick up a form in the Practitioners’ Loft and call for your appointment...
- **More options** requesting and receiving prayer support include using a form on our website by going to www.creativelife.org/links/prayerrequest.php. Further, trained, skilled practitioners await your call to the UCSL World Ministry of Prayer, 24 hours a day, every day at (800) 421-9600 or by email to prayer@wmop.org.

What Practitioners Do

“Let us consider the life of one who has been more or less consumed with jealousy, hatred, bickering and resentment. He has become so isolated that love neither flows from nor to him... If he is rightly guided, either through his own intuition or by someone else, he will begin to travel backward within himself to see where the trouble (for trouble always lies, it never tells the truth). Through faith or understanding he determines to retrace his mental steps, to go back in imagination to the place where he is one with all.”

—ERNEST HOLMES, from *How to Use the Science of Mind*

So practitioners pray for people?

Practitioners treat themselves to know that the good their clients desire is ever-available and moved into form through treatment. The type of prayer we teach is also called “scientific prayer,” as it proposes the universality of God, and therefore no separation between a person and God. We don’t pray to move God into action, but to bring our thinking and feeling nature into alignment with the idea that infinite good surrounds us, in the form of love, harmony, peace, wellness, abundance, and whatever else we can imagine. Much of this aligning comes from a person deciding what he or she really prefers to have happen in terms of life experience. In this, the practitioner assists through stimulating conversation and possibility thinking. Once a clear sight is set on a goal, treatment is then done.
