Blessing of the Animals

Many of us have beloved family members who cannot attend the Center with us, so on SUNDAY, NOVEMBER 6, at about 1PM, in the courtyard, we’ll welcome our pets to our annual ceremony blessing them and their presence in our lives. We will also memorialize pets who have passed. Please bring only animals safely restrained and current on vaccinations (or a photo if your pet has other plans that day). Water and healthy treats will be provided. Your hosts are practitioners Tammie Ellis, Jayne Leopold and Ann Richardson. Please sign up in Builders’ Hall and for more information, e-mail coralreef17@gmail.com

Thanksgiving Eve Celebration of Gratitude

A Creative Life tradition since 1989, it’s a cross between a Quaker meeting and open-mike night, as you’re invited to come tell us a significant moment or two from your year... perhaps a blessing or one in disguise, what you learned and how you grew... where you are and where you want to be... or just bask in the glow of others’ reflections.

WEDNESDAY, NOVEMBER 23 at 7:30PM in the Great Hall.

Thanksgiving dinner

Would you like to celebrate Thanksgiving with others from CLC? Then, Les & Sharon Mignerey invite you to join them at their home (near Louetta & 249) for a traditional Thanksgiving dinner. They will provide the turkey, dressing, mashed potatoes, and pumpkin pie, and ask you to bring some special dish that makes the day complete for you, Thanksgiving Day, THURSDAY, NOVEMBER 24, at 3PM. Please RSVP to either (281) 257-6580 or sharon@sharonmignerey.com

Prosperous Living celebrations

Give your week an inspirational boost! Join minister Arthur Johnson in November for a series of “prosperous living” talks based on New Thought ideas and principles and ancient-wisdom teachings. After a career as a Baptist minister, Rev. Arthur discovered New Thought and then our Center, where he’s been a beloved presence ever since. He is the President and CEO of the Vision-Inspired Performance Group; speaker, teacher, and consultant; mentor to many other leaders; author of Ignite the Fire Within and Inspired to Achieve More. This empowering experience will provide energizing music, inspired teaching and community fellowship. We are fortunate to have Craig and Cole Caldwell performing live to launch the talk series! We begin at 7PM and doors open at 6:45PM, starting MONDAY, NOVEMBER 7. Cost is $15. All are welcome and no one will be turned away for lack of funds. For more information, e-mail arthur@arthurjohnson.com

COACH MICHAEL TAYLOR
ADVERSITY IS YOUR GREATEST ALLY

THANKSGIVING EVE CELEBRATION OF GRATITUDE
with music by Cole, Craig and Jimmy Caldwell

Coach Michael Taylor is an entrepreneur, author, motivational speaker and radio show host who has dedicated his life to empowering men and women to reach their full potential. He knows first hand how to overcome adversity and build a rewarding and fulfilling life and he is sharing his knowledge and wisdom with others to support them in creating the life of their dreams. He is no stranger to adversity and challenges. He was born in the inner-city projects of Corpus Christi, Texas to a single mother with six children. Although he dropped out of high school in the 11th grade, his commitment to living an extraordinary life supported him in defying the odds.

With persistence, patience and perseverance he was able to climb the corporate ladder of success and become a very successful mid-level manager of a multi-million dollar building supply center at the tender young age of 21. After approximately eight years, he was then faced with another set of challenges as he experienced the pain and humiliation of divorce, bankruptcy and foreclosure and found himself contemplating suicide. Bankrupt and alone, he committed to rebuilding his life which propelled him to begin a 20-year inner journey of personal transformation which resulted in him discovering his true self and his passions for living. As a result, he is now happily married (14 years) and living his dream of living an extraordinary life while being in service to others. Through his books, lectures and radio program he now coaches others on how to become genuinely happy with their lives and live the lives they were born to live. Coach Michael Taylor speaks on Adversity is Your Greatest Ally, WEDNESDAY, NOVEMBER 16, at 7:30PM.

Pursuing Excellence and Personal Mastery

How to cultivate a life of deep meaning and lasting happiness

If you want a happier, more meaningful life, create at least one habit that brings the quality of excellence and mastery to how you live it. I’m going to tell you the truth: Life can be brutal and unrefined. That’s why it is so important to do something every day that adds fineness and beauty to the struggle. Give me one hour of your time and I promise you complete honesty, and at least the possibility to truly transform your life.

Speaker Troy McConnell spent 22 years in the Nashville music industry as a staff writer and independent producer. He has had songs performed by Garth Brooks, and has shared the stage with then up-and-coming artists Garth, Tim McGraw and Kenny Chesney. He has performed on the Grand Ole Opry, had one of his songs played before the Supreme Court of the United States, wrote a jingle for the Firestone Racing Division, and co-authored a 400-page music business book entitled Songplugger: the Cuts and the Bruises. WEDNESDAY, DECEMBER 7, 7:30 PM in the Great Hall. Troy is at troymcc@nextiermedia.com

A CLC tradition since 1984, on Christmas Eve you can enjoy sweet music, a stirring talk, and immerse yourself in the light, color and warmth of community in our beautiful Center. Come gather with us SATURDAY, DECEMBER 24, for one service only at 7 PM. Christmas Day this year falls on SUNDAY, and you’re invited to celebrate with us in one service only at 11 AM, with more music and merry-making!

NEW YEAR’S EVE

Minister Debra Morwood speaks, followed by a burning bowl ritual. As we enter 2017 we release the good for the better, as well as accept new good into our lives. You’ll also fill out a 2017 goal letter to be mailed back to you at Thanksgiving! SATURDAY, DECEMBER 31, 7 PM in the Great Hall.

SUNDAY, DECEMBER 4
The Women’s Winter Solstice Circle, open to all women of all faiths, will take place TUESDAY evening, DECEMBER 20. Led by minister Marsha Lehman, this ritual will initiate each woman into the undiscovered riches deep within her feminine well of the infinite self. Following roots into the depth of nurturing darkness, each woman will emerge with a sense of having reclaimed her deepest power. Within her wisdom connection she will uncover the ways to shine her sparkling light in the coming cycle of the seasons. The circle ceremony will open at 7 PM and close at 8:30 PM. Conversation and festive snacks will continue until 9:30 PM. No charge... a gift to all women. Spread the word. Please bring a gift for another woman (your own possession, to which you are intuitively guided, that will be a daily reminder of her deep feminine power and dynamic sparkle) along with a heart-felt blessing, and a festive snack to share. Please RSVP with the number of women to Marsha Lehman, at (281) 773-4376 or xlr8coach@aol.com
children & youth

Children begin their Sunday learning adventures in the registration area in the youth foyer, then move to their classrooms, returning to the Great Hall to be reunited with their parents in time for the closing song. Some Sundays we offer special theme workshops for the kids, too.

- For parents: age-appropriate prayer/treatment opens all the classes, and for each class there is age-appropriate discussion of the monthly theme and creative projects to enhance the learning.
- Just after noon all the teachers and children gather in the reception area of the Learning Center for our closing prayer circle. Following this, the teachers will bring the children to you in the Great Hall.
- If you have any questions or concerns about our classes, Debra is in the youth lobby from 10:15-11:15AM on Sundays, or call her at (281) 651-9295 or connect by e-mail to... debramorwood@sbcglobal.net

Come teach!

We’re seeking one 7-10 age-group teacher; teachers for all age groups on 5th Sundays; and subs who can be available on short notice. Curriculum and all materials are provided! Come help, in a delightful atmosphere, among a team of mutually supportive teachers, and the most wonderful kids imaginable! Many thanks to returning teacher Ruth Catalogna! debramorwood@sbcglobal.net

Children's Holiday Party

Guess who’ll visit the CLC children again this year? Even with an elf in tow, he’ll need some help from CLC teachers and parents to make the day truly festive. So come join us at the children’s holiday party on Sunday, December 18, at 11AM in Katherman Hall. For details or if you have craft ideas, please e-mail Debra!

What we teach our children

We teach our children that God is Life — the Life within each of them and in all Creation — that all people are children of the One God, and therefore, are all brothers and sisters. We teach that God is all-inclusive and we are each created in the image of God — Good. We teach that God is Love, and we honor God-in-all through love, not fear. We teach that sin is simply a mistake and when we make mistakes, we are punished by them, not by God. We teach that God is Spirit and present everywhere, that this Spirit is within us and speaks to us through our minds when we are willing to listen. We teach that there are spiritual laws that must be understood and followed, just as we follow human laws. We teach that religion is something to be used every day, not just on Sundays. We teach that Religious Science is a religion that can be used at home, at school and at play; that since God is within us, heaven is also within us, that is we learn to live our lives in harmony with God’s Law, we live in heaven now. We teach that keeping the mind focused on good causes a richer experience of life. We teach that God is truth and beauty, peace and harmony; that as we grow to be more like God, our lives will be filled with health, happiness and success. We teach that nothing is too wonderful to happen, nothing is too good to be true: everything is possible to God through me and you! —adapted from a work by Dorothy Quigley

What we do

The CLC Children’s and Youth Services Department is devoted to celebrating the spiritual development of each child we teach. All age groups are involved in various activities, workshops, and special projects incorporating the teachings of Science of Mind. We strive to create an atmosphere of love and kindness in our words and actions toward each other and to recognize and honor the diversity of every person.

- Toddlers (up to age 3) are lovingly cared for by our toddler teachers. In their very artistically designed Discovery Room, the children are encouraged to interact and experience their world as only a toddler can. They are offered games, toys, books and other age-appropriate activities in a safe, secure and loving environment.
- 3-6 age group. Beginning around the age of 3, our toddlers are moved to the Ingenuity Room. This group begins to learn the basics of Treatment and the value of giving a smile and a kind word. Our creative teachers provide age-appropriate instruction and activities.
- 7-10 age group are in the Quimby Room, regularly practicing the steps of Treatment presented in a manner appropriate to their age group. The teachers provide learning tools, creative projects, workshops and other teaching methods to engage each child’s learning of the principles of Science of Mind.
- 11-15 age group meet on the second floor of the Learning Center in the Hopkins classroom. They are engaged in special projects, workshops, have guest speakers and are involved in several volunteer service endeavors at CLC. The teachers working with this group encourage their talents, keep them engaged in learning Science of Mind principles and we throw in a bit of fun along the way!

Buddy Backpack

The 2016-17 school year is under way, and with it our fourth year of participation, now serving 20 children per weekend, at an estimated total cost of $6,000, or $400 per delivery, or $300 per child served. Know that so far in the program’s history, you have fed over 720 children and their families 5,320 meals. We acknowledge each of you who have been so instrumental in making the Buddy Backpack Project work. Without you, our volunteers, we could not do this! You have donated your time, money and talent so generously. Thank you! Remember we count on your financial support, while the team members shop, prepare, pack and deliver the goods. You can help by donating cash or Kroger cards or generic gift cards (only — no checks, please, or other store-specific cards). Creative Life was the pilot partner community with the Montgomery County Food Bank on this project, and since then at least five other churches have joined in. With general questions, and also to volunteer on-site at the new MCFB facility, e-mail BP team leader Carol Stromatt, cbookstromatt@gmail.com
