Magic of the Soul

new certificated class

Combining principles and techniques from spiritual psychology with the power of the Science of Mind teaching, *Magic of the Soul* responds to questions like, "Why haven't I completely healed, even though I have been using spiritual mind treatment for years? How do we deal with fear that comes up before and after treatments? How can we embrace our shadow while affirming our divinity?" *Magic of the Soul* asks students to affirm and experience their inner divinity and at the same time honor their humanness and appreciate the beauty of who they are in the here and now, on their path to higher expressions of divine nature — seeking the magic, the opportunity for growth, and the sacredness in every situation in life, especially the challenging ones. In its first-ever offering at CLC, the class meets eight **SATURDAYS, 10AM-12:30PM**, starting **MAY 4**, led by minister **Lisa Ryan**. Tuition is \$225 plus books. Please sign up in Builders' Hall or to info@creativelife.org.

Hymn to Gaia

AIA
 Mother of all
 foundation of all
 the oldest one
 I shall sing to Earth
 She feeds everything
 that is in the world
 Whoever you are
 whether you live upon
 her sacred ground
 or whether you live upon
 the paths of the sea
 you that fly
 it is she who nourishes you
 from her treasure-store
 through you
 beautiful children
 beautiful harvests come
 Mother of the gods
 bride of heaven
 sparkling with stars
 Now and in my other songs
 I shall remember you

MAY 29 SOUL SESSION

with

Cleopatra Williams

A native Houstonian, **Cleopatra Williams** began dancing at the tender age of three. Two years later, she won a scholarship to study at Margo Marshall's City Ballet of Houston. Ms. Williams was accepted into the highest level at Houston's High School for Performing & Visual Arts and the Houston Ballet Academy where she trained for two years before entering their company trainee program. At 18 years of age, she joined the Houston Ballet and would go on to perform and tour with the company until 2006. Ms. Williams has had the pleasure of performing at Russia's Bolshoi Theatre and London's Sadler's Wells Theatre. This Houstonian is the first and only African-American ballerina to perform the role of Clara in Ben Stevenson's production of *The Nutcracker*. She performed the coveted lead role of the classic ballet every year until her retirement. She's been featured in several magazines, interviews and newspapers, and received a Resolution for her artistic achievements from Texas Representative Jessica Farrar. Her most featured classical roles include Bluebird and Song Fairy in Ben Stevenson's *Sleeping Beauty*; Clara, Snow Queen, and Arabian in Ben Stevenson's *The Nutcracker*; and Michael in Trey McIntyre's *Peter Pan*. Her most memorable contemporary works include Christopher Bruce's *Ghost Dances*, *Hush*, and *Rooster*; Mark Morris's *Sandpaper Ballet*; Stanton Welch's *Indigo* and *Velocity*; and Brian Enos's *Dark and Lovely Mmm*. Ms. Williams is also well-versed in hip-hop, jazz and house dance. She has a B.S. in Advertising and Marketing Communications and has taught dance and choreographed exclusively for the past five years.

A new CLC member and *Heartfelt Living* graduate, Cleo joins minister Jesse on stage for the latest in our occasional series of "Soul Session" conversations, on **WEDNESDAY, MAY 29, at 7PM.**

SUNDAY CIRCLES

Children begin their learning adventures in the registration area in the youth foyer, **10:15-11AM** on **SUNDAYS**, then move to their classes, to be reunited with their parents in the Great Hall in time for the closing song. Some Sundays we offer special theme workshops for the kids, too. Age-appropriate prayer/treatment opens all the classes, and for each class there is age-appropriate discussion of the monthly theme and creative projects to enhance the learning. Just after noon all the teachers and children gather in the reception area of the Learning Center for our closing prayer circle. Then the teachers bring the children to you in the Great Hall. Please remember that no youth are to roam the Center grounds unattended. Our coordinating Sunday minister is **Marsha Lehman** at xlr8coach@aol.com, assisted by practitioners **Linda Clesson** and **Marissa Mijal**. Our youth minister and chaplain is **Debra Morwood** at debramorwood@sbcglobal.net.

TEACH OUR CHILDREN WELL...

We teach our children that God is Life—the Life within each of them and in all Creation—that all people are children of the One God, and therefore, are all brothers and sisters. • We teach that God is all-inclusive and we are each created in the image of God—Good. • We teach that God is Love, and we honor God-in-all through love, not fear. • We teach that sin is simply a mistake and when we make mistakes, we are punished by them, not by God. • We teach that God is Spirit and present everywhere, that this Spirit is within us and speaks to us through our minds when we are willing to listen. • We teach that there are spiritual laws that must be understood and followed, just as we follow human laws. • We teach that religion is something to be used every day, not just on Sundays. • We teach that Religious Science is a religion that can be used at home, at school and at play; that since God is within us, heaven is also within us, that is we learn to live our lives in harmony with God's Law, we live in heaven now. • We teach that keeping the mind focused on good causes a richer experience of life. • We teach that God is truth and beauty, peace and harmony; that as we grow to be more like God, our lives will be filled with health, happiness and success. • We teach that nothing is too wonderful to happen, nothing is too good to be true: everything is possible to God through *me* and you!

—adapted from a work by **Dorothy Quigley**

WHAT WE DO

The CLC Children's and Youth Services Department is devoted to celebrating the spiritual development of each child we teach. All age groups are involved in various activities, workshops, and special projects incorporating the teachings of Science of Mind. We strive to create an atmosphere of love and kindness in our words and actions toward each other and to recognize and honor the diversity of every person.

- **Toddlers** (18 mos. to age 3) are lovingly cared for by our toddler teachers. In their very artistically designed Discovery Room, the children are encouraged to interact and experience their world as only a toddler can. They are offered games, toys, books and other age-appropriate activities in a safe, secure and loving environment.
- **4-6 age group.** Beginning around the age of 4, our toddlers are moved to the Ingenuity Room. This group begins to learn the basics of treatment and the value of giving a smile and a kind word. Our creative teachers provide age-appropriate instruction and activities.
- **7-12 age group** are in the Quimby Room, regularly practicing the steps of Treatment presented in a manner appropriate to their age group. The teachers provide learning tools, creative projects, workshops and other teaching methods to engage each child's learning of the principles of Science of Mind.
- **13-17 age group** meets on the second floor of the Learning Center in the Hopkins classroom. They are engaged in special projects, workshops, have guest speakers and are involved in several volunteer service endeavors at CLC. The teachers working with this group encourage their talents, keep them engaged in learning Science of Mind principles and we throw in some fun along the way!
