November 2019

Cultivate the habit of being grateful for every good thing that comes to you, and to give thanks continuously. And because all things have contributed to your advancement, you should include all things in your gratitude.

RALPH WALDO EMERSON

Gratitude is not only a virtue but it also is part of a practical philosophy of daily life. There is no wiser way of living than to remember every morning what Life has given us, and to lift up our thought in thankfulness for every bounty we possess.

Resilient People: Navigating Through Trauma with Rick Huttner

This presentation will focus on how the mind responds to and stores trauma in the subconscious mind. People who have experienced trauma oftentimes make decisions to protect themselves from the pain of the experience. These decisions get buried in the subconscious mind and many times, unconsciously drive behavior. This program will help you understand the power of the mind to heal, to unburden, and create the joyful life you desire.

CLC's **Rick Huttner** is a survivor of the trauma of physical and sexual abuse, who now works passionately to spread the message that all who experienced abuse or trauma, of any type, can heal. His own healing process began after decades of alcohol abuse, dysfunctional relationships, and a volatile career—all of which were influenced by the buried pain of his childhood trauma. Rick now lives a joyful, productive, loving life. He founded *Resilient People* and authored the book by that title to help heal others who have experienced trauma in its many forms. He regularly shares his story at speaking engagements and abuse awareness workshops, and for us on WEDNESDAY, NOVEMBER 6 at 7PM.

The Altruistic Art of Acceptance with Jeffrey Powell

CLC'er **Jeffrey Powell** is an avid student of theology, philosophy, spirituality and metaphysics. Through and from these studies he has overcome various

addictions and a debilitating depression into being a successful and happy individual. His mission is to transform his experiences into thought-provoking enlightenment in hopes of helping others to find their way. He's a graduate of multiple Science of Mind classes, and a veteran of our stage as a performer in our shows and his own dance troupe. Come hear his first lecture for us on WEDNESDAY, NOVEMBER 20 at 7PM.

The Way Out is Through with Rev. David Dewhurst

The amazing **David Dewhurst**, CLC staff minister, speaks from his heart on WEDNESDAY, NOVEMBER 13 at 7PM.

Thanksgiving Eve Festival of Gratitude

A Creative Life tradition since 1989, it's a sweet time of reflection and sharing, as you're invited to come tell us a significant moment or two from your year... a blessing or one in disguise, what you learned and how you grew... where you are and where you want to be... or just bask in the glow of others' reflections. WEDNESDAY, NOVEMBER 27 at 7PM.

Sunday morning Meditations

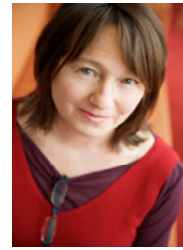

"...Sit and rest and refresh your soul. Eat of the fruit and drink the wine. All, all is yours, and you are welcome." —*The Science of Mind* textbook

Each week's is led by a CLC practitioner, and lasts 20 minutes, ending in time to comfortably get into the 11:00 celebration. There is music to enhance as you are guided into a restful state, and inspirational readings to tap into your spiritual center. Most sessions will end with a spiritual mind treatment based on the theme of the readings. **SUNDAYS, 10:30-10:50AM**, in the Malené Njeri Meditation Space, upstairs in the Learning Center. These meditations are free and there's no need for advance signup. More info...

SUNDAY CIRCLES

Children begin their learning adventures in the registration area in the youth foyer, **10:15-11AM** on **SUNDAYS**, then move to their classes, to be reunited with their parents in the Great Hall in time for the closing song. Some Sundays we offer special theme workshops for the kids, too. Age-appropriate prayer/treatment opens all the classes, and for each class there is age-appropriate discussion of the monthly theme and creative projects to enhance the learning. Just after noon all the teachers and children gather in the reception area of the Learning Center for our closing prayer circle. Then the teachers bring the children to you in the Great Hall. Please remember that no youth are to roam the Center grounds unattended.

Our coordinating Sunday minister is **Marsha Lehman** at xlr8coach@aol.com, assisted by practitioners **Linda Clesson** and **Marissa Mijal**. Our youth minister and chaplain is **Debra Morwood** at debramorwood@sbcglobal.net.

WHAT WE DO

The CLC Children's and Youth Services Department is devoted to celebrating the spiritual development of each child we teach. All age groups are involved in various activities, workshops, and special projects incorporating the teachings of Science of Mind. We strive to create an atmosphere of love and kindness in our words and actions toward each other and to recognize and honor the diversity of every person.

- **Toddlers** (18 mos. to age 3) are lovingly cared for by our toddler teachers. In their very artistically designed Discovery Room, the children are encouraged to interact and experience their world as only a toddler can. They are offered games, toys, books and other age-appropriate activities in a safe, secure and loving environment.
- **4-6 age group.** Beginning around the age of 4, our toddlers are moved to the Ingenuity Room. This group begins to learn the basics of treatment and the value of giving a smile and a kind word. Our creative teachers provide age-appropriate instruction and activities.

- **7-12 age group** are in the Quimby Room, regularly practicing the steps of Treatment presented in a manner appropriate to their age group. The teachers provide learning tools, creative projects, workshops and other teaching methods to engage each child's learning of the principles of Science of Mind.

- **13-17 age group** meets on the second floor of the Learning Center in the Hopkins classroom. They are engaged in special projects, workshops, have guest speakers and are involved in several volunteer service endeavors at CLC. The teachers working with this group encourage their talents, keep them engaged in learning Science of Mind principles and we throw in some fun along the way!

TEACH OUR CHILDREN WELL...

We teach our children that God is Life—the Life within each of them and in all Creation—that all people are children of the One God, and therefore, are all brothers and sisters. • We teach that God is all-inclusive and we are each created in the image of God—Good. • We teach that God is Love, and we honor God-in-all through love, not fear. • We teach that sin is simply a mistake and when we make mistakes, we are punished by them, not by God. • We teach that God is Spirit and present everywhere, that this Spirit is within us and speaks to us through our minds when we are willing to listen. • We teach that there are spiritual laws that must be understood and followed, just as we follow human laws. • We teach that religion is something to be used every day, not just on Sundays. • We teach that Religious Science is a religion that can be used at home, at school and at play; that since God is within us, heaven is also within us, that is we learn to live our lives in harmony with God's Law, we live in heaven now. • We teach that keeping the mind focused on good causes a richer experience of life. • We teach that God is truth and beauty, peace and harmony; that as we grow to be more like God, our lives will be filled with health, happiness and success. • We teach that nothing is too wonderful to happen, nothing is too good to be true: everything is possible to God through me and you!

Interfaith service

Many different faiths come together each year in The Woodlands, to learn about one another and to give thanks for religious freedom

in the United States. This will be the 21st annual Giving Thanks Observance planned and presented by the local organization named *Faiths Together*.

Faiths Together is a fellowship of faith communities honoring spiritual diversity by building relationships and understanding among people of different paths. It was formed in 1998 and presented its first interfaith observance in The Woodlands in November of 1999. Volunteers from many faith communities in The Woodlands work together to plan and present at each observance, the location of which rotates each year. Trinity Episcopal Church, 3901 S. Panther Creek Dr., hosts this year's event, on **TUESDAY, NOVEMBER 19**, starting at **7:00PM**. Last year about 600 people attended.

"Common Threads" is this year's theme. We will celebrate our coming together as neighbors and recognize some of our common principles. At the same time, we will recognize and respect our religious differences. Continuing traditions include opening the observance with such calls to prayer as the welcome by the host clergy, the Islamic Azan, the Jewish shofar and the Hindu conch. plus dance and music. Quilters from 12 faith communities have each created a quilt square depicting a symbol of faith, then pieced together to create a beautiful quilt.

Members of *Faiths Together* know that as Woodlands citizens learn about the traditions and beliefs of various faiths, opportunities naturally arise to build friendships that strengthen our Woodlands community. A reception following the observance gives attendees a chance to mingle and sample some delicious food. The free event is open to the public; no RSVP required. Please bring a nonperishable food item for the Interfaith of The Woodlands Food Pantry. For more information, please email...
