Rev. Arthur Johnson special Sunday speaker

A rousing morning of powerful motivation and deep inspiration awaits us all when Rev. Arthur takes the stage again! After a career as a Baptist

minister, he discovered New Thought and then our Center, and he's been a beloved presence ever since. He is the President and CEO of the Vision-Inspired Performance Group; speaker, teacher, and consultant; mentor to many other leaders; and author of books *Ignite the Fire Within* and *Inspired to Achieve More*, plus an article and a set of "Daily Guides" in Science of Mind magazine. He speaks on *What You See is What You Get* at 11AM (one service only) on SUNDAY, JANUARY 19! arthurjohnson.com

The study of the Science of Mind is a study of First Cause, Spirit, Mind, or that Invisible Essence, that ultimate Stuff and Intelligence from which everything comes, the Power back of creation—the Thing Itself.

Treatment & Meditation Spiritual Practices for Daily Living class

"In the spiritual realm, Universal Subjective Mind as Law is the soil. It is just as dependable, just as reliable and functions just as naturally as the soil in the garden. It takes whatever you choose to plant in it, and it produces accordingly."
—Ernest Holmes

Here's a ten-week, 30-hour course, for *Heartfelt Living* graduates, that focuses on creating a personalized spiritual practice for everyday life, including discussions and exercises on treating for others, perceiving wholeness with heart and mind, drawing on the infinite reservoir within, trusting life's process, and getting unstuck. Moving deeper into daily spiritual practices with yourself and others is a way to be amazed in the areas of manifestation *and* creative contemplation, while exploring the fine points of our faith system! *Treatment & Meditation* also satisfies the "Spiritual Practices" module requirement for eventual admission into professional practitioner training. Tuition is \$250 plus books: *Can We Talk to God?* (Holmes), *Journey of Awakening* (Ram Dass) and a workbook, all available here.

The course is ten **SATURDAYS, 10AM-12:30PM**, starting **JANUARY 25**, or ten **WEDNESDAYS, 4:00-6:30PM**, starting **JANUARY 29** (pick the one you prefer), both led by minister Jesse Jennings and practitioner Ruth Catalogna. Please sign up in Builders' Hall or to...

BUDDY MONDLOCK Sunday musical guest

Buddy Mondlock's songs have been recorded by Guy Clark, Nanci Griffith and Janis Ian, to name just a few. In 1987 he was a New Folk Award Winner at Kerrville and he released his first album called *On the Line*. David Wilcox recorded Buddy's "The Kid" for A&M, and Buddy has written with Garth Brooks and Janis Ian; their song "Amsterdam" was recorded by Joan Baez. His "Comin' Down In the Rain" was recorded by Nanci Griffith, as was "Every Now and Then," by Garth Brooks. Later Buddy collaborated with Peter, Paul and Mary; then Art Garfunkel and Maia Sharp, writing and recording an album together, *Everything Waits To Be Noticed*, touring all over America and Europe, singing together like feathers in a wing. His latest CD is *The Memory Wall*. Buddy visits CLC again at **9:30 & 11AM** on **SUNDAY, JANUARY 12!** buddymondlock.com

SUNDAY CIRCLES

Children begin their learning adventures in the registration area in the youth foyer, **10:15-11AM** on **SUNDAYS**, then move to their classes, to be reunited with their parents in the Great Hall in time for the closing song. Some Sundays we offer special theme workshops for the kids, too. Age-appropriate prayer/treatment opens all the classes, and for each class there is age-appropriate discussion of the monthly theme and creative projects to enhance the learning. Just after noon all the teachers and children gather in the reception area of the Learning Center for our closing prayer circle. Then the teachers bring the children to you in the Great Hall. Please remember that no youth are to roam the Center grounds unattended.

Our coordinating Sunday minister is **Marsha Lehman** at xlr8coach@aol.com, assisted by practitioners **Linda Clesson** and **Marissa Mijal**. Our youth minister and chaplain is **Debra Morwood** at debramorwood@sbcglobal.net.

CLC ministers go the extra holiday mile for the child in each of us.

"We too need to be guided by the star of life to that holy place within us where the little child we are — the Child of God — is cradled in the arms of infinite love and wisdom."

ERNEST HOLMES

WHAT WE DO

The CLC Children's and Youth Services Department is devoted to celebrating the spiritual development of each child we teach. All age groups are involved in various activities, workshops, and special projects incorporating the teachings of Science of Mind. We strive to create an atmosphere of love and kindness in our words and actions toward each other and to recognize and honor the diversity of every person.

- **Toddlers** (18 mos. to age 3) are lovingly cared for by our toddler teachers. In their very artistically designed Discovery Room, the children are encouraged to interact and experience their world as only a toddler can. They are offered games, toys, books and other age-appropriate activities in a safe, secure and loving environment.
- **4-6 age group.** Beginning around the age of 4, our toddlers are moved to the Ingenuity Room. This group begins to learn the basics of treatment and the value of giving a smile and a kind word. Our creative teachers provide age-appropriate instruction and activities.

- **7-12 age group** are in the Quimby Room, regularly practicing the steps of Treatment presented in a manner appropriate to their age group. The teachers provide learning tools, creative projects, workshops and other teaching methods to engage each child's learning of the principles of Science of Mind.

- **13-17 age group** meets on the second floor of the Learning Center in the Hopkins classroom. They are engaged in special projects, workshops, have guest speakers and are involved in several volunteer service endeavors at CLC. The teachers working with this group encourage their talents, keep them engaged in learning Science of Mind principles and we throw in some fun along the way!

TEACH OUR CHILDREN WELL...

We teach our children that God is Life—the Life within each of them and in all Creation—that all people are children of the One God, and therefore, are all brothers and sisters. • We teach that God is all-inclusive and we are each created in the image of God—Good. • We teach that God is Love, and we honor God-in-all through love, not fear. • We teach that sin is simply a mistake and when we make mistakes, we are punished by them, not by God. • We teach that God is Spirit and present everywhere, that this Spirit is within us and speaks to us through our minds when we are willing to listen. • We teach that there are spiritual laws that must be understood and followed, just as we follow human laws. • We teach that religion is something to be used every day, not just on Sundays. • We teach that Religious Science is a religion that can be used at home, at school and at play; that since God is within us, heaven is also within us, that is we learn to live our lives in harmony with God's Law, we live in heaven now. • We teach that keeping the mind focused on good causes a richer experience of life. • We teach that God is truth and beauty, peace and harmony; that as we grow to be more like God, our lives will be filled with health, happiness and success. • We teach that nothing is too wonderful to happen, nothing is too good to be true: everything is possible to God through me and you!
